Professional Summary

Results-focused B.E. student in Information and Communication Technology (ICT) with expertise in **C/C++, Java, Python, and SQL**. Recognized for academic excellence (9.47 SPI, Semester 1 Topper) and demonstrated ability to apply analytical and programming skills during a 120-hour **Data-Driven Astronomy research internship**. Seeking an entry-level opportunity to contribute to innovative technical projects while ensuring continuous professional growth.

Technical Skills

Programming: C, C++, Java, Python, SQL

Core CS: Data Structures (DSA), Object-Oriented Programming (OOP)

Web Technologies: HTML5, CSS3

Certifications: C, C++, HTML & CSS, Python (All from Royal Technosoft Pvt. Ltd.)

Education

Vishwakarma Government Engineering College, Chandkheda

Gujarat

B.E. in Information and Communication Technology (ICT)

2023–2027 (Ongoing)

○ **Current CPI:** 8.68

○ **Academic Note:** Topped Semester 1 with a **9.47 SPI**. (Award details are listed under Achievements.)

Internship Experience

India Space Academy (ISA) – Summer School

Research & Data-Driven Astronomy Trainee

June 2025 (4 Weeks, 120 Hrs)

- Executed data analysis on real **Supernovae Ia datasets** as part of a rigorous computational astrophysics training program.
- Applied advanced scientific computation techniques to predict the **Hubble Parameter** using observational data.
- Estimated the approximate **age of the Universe** by leveraging derived astrophysical parameters.
- Cultivated strong competencies in data analysis, scientific reasoning, and research methodology.

Awards & Achievements

Semester 1 Topper: **9.47 SPI** in Semester 1; awarded Certificate of Excellence by Dewang Mehta Foundation Trust and received **The Maverick Effect** book by Harish Mehta.

Academic Excellence: Felicitated with a trophy by Rule of Law Society & Bhagwati Vidhyalaya for outstanding academic performance after Class 12.

Soft Skills & Languages

Soft Skills: Teamwork, Problem Solving, Effective Communication, Adaptability, High Willingness to Learn.

Languages: English (Native), Hindi (Native), Sindhi (Mother Tongue), Gujarati (Working Proficiency).
